

How to add a JHAM Radio button to the Ipad desktop

Open the browser and visit <http://www.jhamradio.com>

Tap the bookmark icon to the left of the address bar

Tap the “Add to Home Screen” button

Tap the field to change the name of bookmark and tap “Add” button.
The “JH AM Radio” icon should appear on the desktop. From this point forward,
Clicking this button should take you to JH AM Radio.
